INTERSCHOOLS RACE. Your South Australian schoolchild (even as a beginner) will get the chance to train and race on a proper, expertly designed race course, competing against others in their year level/gender. They may even win a medal!

KIDS SKI TOGETHER. The more years you ski/board with SASKI, the more your kids will see the same faces as they will be in lessons with similar ages and abilities. New friendships are the most valued feature of skiing/boarding with SASKI - for schoolchildren and their parents. A wonderful new family tradition!

ADULTS SKI TOGETHER. As a parent of a SASKI registered race participant, you are entitled to buy one heavily discounted Adult lift /lesson ticket (see above). If you have 2 children entered or your child competes in both skiing and snowboarding, then both parents have access. Join the amazingly high quality lessons with your friends and have a blast. If it is your first time, let us know and we can try to hook you up with some other SASKI parents. Meet before to ski and have a cuppa after?

DISCOUNTS ON MOUNTAIN. Each participant receives a VIP card with a number of cheap meals and drinks amongst other exciting offers, mountain wide for SASKI Week.

PARTY ON. Volunteers receive a coveted invitation to our Tuesday night cocktail party (for Sponsors, Race Volunteers, School Leaders and other special invitees). A great reason to volunteer! And you get a free lift ticket for the day you volunteer.

AND ONE MORE RACE. On our last day, Friday, everyone gets the chance to 'race your mate/Dad/teacher/etc' in a fantastic opportunity set up just for us by Falls Creek.

Come to Falls Creek with **SASKI, 17 - 21 July 2017**, and your Family Snow Holiday has the chance to be so much more affordable, friendly and easy, AND you will be helping to get points towards your school possibly winning the coveted SASKI TROPHY.

See you there!
